

A new owner - a new name:

PMC Polarteknik Oy Ab changes name to PMC Hydraulics Oy

PMC Polarteknik Oy Ab announces a change of its company name to **PMC Hydraulics Oy**, due to a recent change of ownership. The new owner, Nordstjernan acquired PMC Group in January 2016.

PMC Hydraulics Oy will be a part of PMC Hydraulics Group AB, which combines hydraulic operations in Finland, Sweden, Denmark, Poland, India and China.

Also, the business operations of Pneumatics and Door Systems will be forming a separate company this autumn. More information about that will follow later.

In response to the name change our e-mail and www addresses will change as follows:

PMC Hydraulics Oy
firstname.lastname@pmchdraulics.com
www.pmchdraulics.fi

Pneumatics and Door Systems
firstname.lastname@polarteknik.fi

Other contact information will remain the same.

The new owner and name will open new possibilities to our customers, says Managing Director, PMC Hydraulics Oy, **Ilari Orpana**.

- With stronger resources we can offer new benefits for our customers in manufacturing industries, energy production as well as in marine and mobile applications. The results will be seen in operational efficiency, as well as in secure and quick deliveries, Orpana continues.

As global expert, PMC Hydraulics provides its customers with a unique opportunity to get all hydraulic solutions and services from the same supplier. The comprehensive palette of services extends from standard products to tailor-made and application-specific solutions.
